Talk:Satpal Ram

From Wikipedia, the free encyclopedia

Jump to: navigation, search

This article is a tissue of half-truths, distortions and outright lies. Satpal Ram murdered an innocent stranger in a restaurant over a triviality, gloated over him as he lay dying, then fled the scene of the crime with the murder weapon still in his hand.

Ram was parolled in 2002, after two failed appeals and a refusal by the Criminal Cases Review Commission to refer his (sound) conviction back to the Court of Appeal.

He is now back in prison following other albeit far less serious allegations.

Before you braindeads write anymore garbage about Saint Satpal I suggest you pay the website

a visit. You will find here the documented facts of the case including official transcripts, and other refutations of this insidious lying propaganda.
